

Real Estate Solutions

Investment Administration & Reporting

FTI Consulting helps our clients manage their finance and accounting functions with fully outsourced, co-sourced and as-needed services. Our team includes accounting and finance professionals who have served as audit partners, CFOs, chief accounting officers and controllers, as well as others, all of whom have an expert understanding of the real estate and real estate finance industries.

We offer a complete suite of services that includes fully outsourced investment administration, accounting and financial reporting services and on-call technical accounting advisory services focused on SEC, U.S. GAAP, IFRS and income tax basis reporting matters. Our clients include real estate private equity fund managers, publicly traded and private mortgage and equity REITs, debt funds, private equity and pension fund-sponsored portfolio investors and real estate owners and operators.

REPRESENTATIVE CLIENT OBJECTIVES

Fully outsourced accounting and administration for real estate investors and managers

Preparation of financial statements for public and private real estate and real estate finance companies, including drafting 10-Ks and 10-Qs

Private and public investment entity and fund launch assistance, including review of offering memoranda and related documents, preparation of SEC filings for IPOs and modeling of complex carried interest/promote structures

Administration of U.S. blocker entities and special purpose vehicles

Maintenance of partner capital accounts and waterfall computations of profits and losses, including carried interest/promote calculations

Compliance support surrounding AML, KYC, FATCA, FCPA

Annual audit and quarterly review support and coordination with auditors and income tax preparers

Interim CFO, controllership and staff augmentation services

Employee compensation services including incentive-plan design

Supporting accounting positions for the U.S. GAAP, IFRS accounting and SEC reporting treatment of complex real estate and real estate finance transactions

Assessment of the impact of new accounting standards on accounting policies and business processes

REIT IPO readiness, SEC disclosure support and preparation of financial statements, 3-14s and pro forma financial statements for inclusion in registration statements on Form S-11 including Non-GAAP financial measures

Assistance to registrants in interpreting Regulation S-X and SEC staff positions with respect to GAAP/IFRS accounting and transaction structuring for financial reporting

Highlighting accounting and financial statement issues for resolution before filing a “live” document

Assistance in understanding and responding to SEC staff comments in conjunction with SEC counsel
